**--Potluck Dinner--**

Potluck dinner at *Laura Bobbitt's* home on Saturday, October 1st was a grand success. Roving reporter, *Pam Pigford*, submitted the following review: "Dinner was fabulous. Attendees included *Gail Madsen, Gayden Denton, Ann Pool, Eenie Pool, Ida Notowitz, Kelly Branson, Rebecca Barbee, Linda Barbee, Beth Bobbitt, Laura Bobbitt, Pam Pigford* and birthday girl *Josie Sullivan*. We ate alot, laughed a bunch, and generally had a wonderful time. The food was divine!"

Reporter *Beth Bobbitt* added: "Pam brought her video of the reunion which was a blast. Josie had her pictures, and they were great. I felt as if I had been to the reunion. Laura's house looked great, and she had a feast for all. Her menu consisted of beef tender, spinach salad, cheese and crackers."

Take a bow, Laura. Your skill and expertise as chef and hostess were praised by all. *Pam Pigford's* video of the reunion was a big hit, and attendees were particularly happy to see Gayden and Gail. *Dorothy Lane* was sorely missed, but she was unavoidably derailed by a sudden storm at the Hein Park Picnic. Rumor has it that *Beth Bobbitt* had the best time of all. However, as Ida so aptly stated, "*What happens at Potluck stays at Potluck.*"

**--CAMP EAST--**

Plans for our next get-together include a cookout for family members at *Ida Notowitz's* country estate of 200+ acres on Saturday, November 12th, anytime after 10 or 11 a.m. Further details will be posted by Ida. Make plans to bring your fishing poles along with your special dishes and BYOB for the festivities. We expect a large turnout for a "*DAY AT CAMP EAST.*"

\*\*\*Stay tuned for possible date change.

**---OLYMPIC DAY---**

*Anne Kelly's* son is quite a football star winning 5 straight games. Some of you may remember that ANNE, having traveled from Colorado, missed his biggest game of the year to attend the reunion in Hardy. However, she received frequent updates by cell phone while we were gathered around the campfire. He will be heavily recruited for college, so this is an exciting time for Anne's family. Kudos!
